

## **Environmental Policy Statement**

We are committed to providing a quality service that minimises our impact on the environment.

We will:-

- integrate the consideration of environmental concerns and impacts into all of our decision making and activities,
- promote environmental awareness among our employees and encourage them to work in an environmentally responsible manner,
- train, educate and inform our employees about environmental issues that may be generated or affected by their work,
- reduce waste through re-use and recycling where these alternatives are available, economical and suitable,
- promote efficient use of materials and resources throughout our facility,
- avoid unnecessary use of hazardous materials and take all reasonable steps to protect the environment when such materials must be used, stored and disposed of,
- purchase and use environmentally responsible products accordingly,
- communicate our environmental commitment to customers, visitors and interested parties and encourage their support ,
- strive to continually improve our environmental performance and minimise the social impact and damage of activities by periodically reviewing our environmental policy in light of our current and planned future activities.
